WELCOME

Whether you are a new or an existing client, we would like to thank you for choosing our practice. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping up to date with the latest developments in modern veterinary practice, providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme [The Cambrian Vets Healthy Pets Club](#).

Prevention is better than cure!

Our practice membership scheme provides pet owners with the support they need to help their pets stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments.

In addition, an overall clinical examination provides pet owners with peace of mind as we carefully monitor the general health of your pet and offer advice, support and treatment planning. This can reduce or prevent problems arising in the future.

Furthermore, the cost of maintaining the general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, all members then qualify for additional discounts on other items in the practice.

Our Healthy Pets Club offers:

- ✓ Regular checks and maintenance of good general health for your pet
- ✓ Convenient monthly payments for routine services
- ✓ Discounts on additional services
- ✓ Optional Accidental Injury Cover
- ✓ Extended payment scheme
